

# Appendix B – record of opinion

## Competence of fire safety practitioner (example)

### Determination - competent fire safety practitioner

I, \_\_\_\_\_ (insert full name), being the owner of the building at \_\_\_\_\_ (insert street number, street name, suburb, state and postcode) consider that \_\_\_\_\_ (insert full name of person deemed competent) is competent to perform the following tasks for the purposes of Division 4 of Part 9 of the *Environmental Planning and Assessment Regulation 2000*:

(Complete the following table)

✓	Task(s)
	Assess all essential fire safety measures that serve my building
	Assess the essential fire safety measures listed in the attached document <i>(Attach a list of the measures that serve your building that the person deemed competent will assess)</i>
	Inspect my building's egress system for compliance breaches
	Assess the fire safety alternative solutions that apply to my building

I made this determination based on the following documentation:
