EQUIPMENT YOU CAN COUNT ON

With over **25 years experience**, **Fire Service Plus** offers the highest quality fire protection equipment and service at the best prices.

We are passionate about providing the right tools to protect your home and business from the destruction fire can cause. We take fire protection seriously and make sure all jobs are performed with the highest levels of standards and professionalism.

Our **Competent Fire Safety Practitioners** are Certified to Cert II in Fire Protection Inspection and Testing and trained to provide the best possible service on every job.

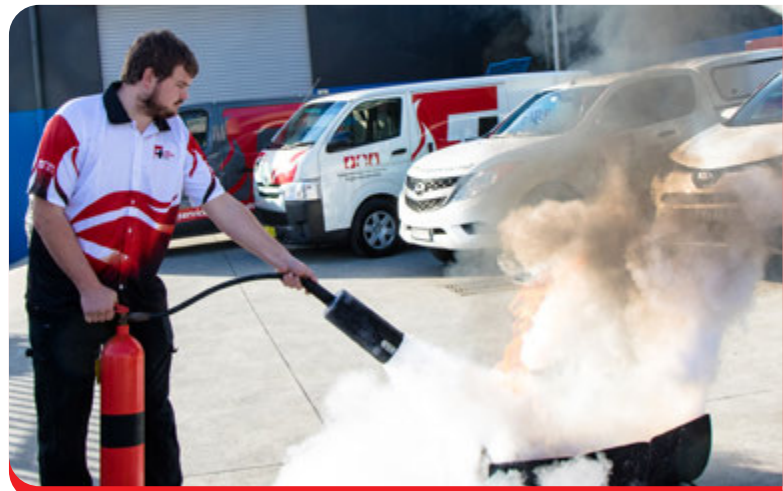

TRAINING SERVICES AND MAINTENANCE

Fire Service Plus offers standalone fire extinguisher & warden training to enable confident and safe operation of fire extinguishers in a workplace fire.

This includes the correct extinguisher selection for the type of fire, understanding different types of fire, **correct and safe techniques** for the use and operation of different types of fire extinguishers, and practical exercises in the use of extinguishers.

Fire Service Plus are able to maintain your fire equipment through regular servicing and maintenance, keeping you compliant with statutory requirements.

To discuss your service needs please call our sales team on Toll Free **1800 650 180**.
